## EDUCATION

### Bachelor of Technology(Cse)

Dayananda Sagar University, Bangalore

2020 - 2024

CGPA-7.69

### Pre-University Education

Vijaya pre-university college, Jayanagar, Bangalore

2018 - 2020

result-70.67%

### Matriculation

Government High School, Agara, Bangalore

2015 - 2017

result-82.72%

## INTERNSHIPS

### Machine learning with python

Organization: Yhills

07/2022 - 08/2022

Project Under Taken: Classification and Regression problems.

Achievements/Tasks

- To find the defaulters-classification problem.
- To find the strength of the concrete-Regression problem.

Certificate ID : YHI-500727

### Web development

Organization: Bharat Intern

07/2023 - 08/2023

Project Under Taken: HTML,CSS,JS.

Achievements/Tasks

- A Personal Portfolio website.
- A Website to convert Temperature form Celsius to Fahrenheit etc.
- A Website having similar homepage that of Netflix.

## PROJECTS

### Lung Cancer Detection using supervised classifier

Achievements/Tasks

- Technology Used: Machine learning with Python.
- Description : Biomedical image processing and machine learning is the process used to classify the presence of lung cancer.

### Student Companion Website

Achievements/Tasks

- Technology Used: HTML,CSS,JS,XAMPP,PHP.
- Description: Helps the student to make easier to use and its providers all the necessary things like dictionary, maps, music, subject relayed websites.

## SKILLS

Database Management System

Full Stack Development

Machine learning with python

Data Science

Data Structure and Algorithms

OOPs

Design and Analysis of Algorithms

Operating System

Computer Networks

Cloud Computing

## TECHNICAL SKILLS

Language: C, Java, Python

Web Development: HTML, CSS, JS, Bootstrap

Database: MYSQL

Operating system: Windows, Ubuntu

## CERTIFICATES

Machine learning with python course certification. (2022)

Java development course certification from Infosys Springboard. (2023)

Data engineering professional certification. (2023)

Completion of HTML and CSS certificate from CodeChef (2023)

Web development certification from Bharat Intern. (2023)

Workshop on Graph QL and React JS association with Full Stack Development club. (2022)

## INTERESTS
